

Queen of Hearts Raffle Rules

1. All new players must register and receive a raffle number. The raffle number must be maintained by the player and written on all tickets purchased thereafter. The Bunker Hill Area Chamber of Commerce has the right to stop issuing new raffle numbers during the continued weeks of play.
2. Once registered, player can purchase tickets for the current and future drawings.
3. The player's identifying raffle number **MUST** be printed on the ticket. Player may write their choice of a card number from the current board. Only if present, the player will be able to change their card number selection. If player fails to write down a card number, and they are not present, the first available card starting from number 1 will be selected for the player.
4. Tickets are sold daily at Sage House in Bunker Hill for the drawing of the week. Sales end at 7:45 pm (15 minutes) prior to the drawing time which is 8:00 pm every Monday evening.
5. Tickets are \$1.00 each. There is no limit to the number of tickets sold. After each drawing, that week's tickets are discarded. New ticket sales will begin for the next week's drawing, if the Queen of Hearts is not drawn.
6. Once a ticket is drawn, the raffle number will be called out and the player on the ticket will have 3 (three) minutes to come to the board for the drawing. A raffle representative will verify player's identification and the raffle number with the registry book. If a ticket is drawn and does not have a Raffle Number it will be consider invalid. A new ticket will be drawn until a valid ticket is presented. The jackpot will consist of 70% of the total money taken in and will be rewarded upon the Queen of Hearts being pulled from the board.
7. If the player is present and the Queen of Hearts is drawn, they will receive 100% of the jackpot. If not present, and the Queen of Hearts is drawn, then player will receive 50% of the jackpot.
8. The game is over once the Queen of Hearts is selected.

All prizes that exceed \$600.00 will be paid by check to the winner on the following Wednesday, (2) days later, upon the completion of the proper paperwork and identification. If the Queen of Hearts is not pulled on the first try, an additional ticket will be drawn and that process will continue until the Queen of Hearts is pulled from the board to end the game.
